Paint in' at the club

Our building is going to get a new coat of paint in early july (weather permitting). After some discussion about paint schemes, you and the neighbors will be relieved to hear that our official club colours - (purple & yellow) were rejected as a choice for the building.

With the loan of a pressure washer from the Goodwin's Walt Pinder has completed cleaning the building exterior

The paint job should cost around \$300. Saturday the 5th of July is the target if the weather holds. If you can swing a brush we can use you. Call the Shop and ask for Walt or Ken

Anniversary celebration is set for September 13, 2008

Guest lists and Invitations are being prepared and should be sent out by the end of july. Irene gross has kindly offered to arrange for catering to this special event. Lots of extra cleaning and organizing is needed to prepare for our guests.

Showcases and walls need to be washed down and dusted and some painting will also be required.

Our guest list will included municipal officials and staff, representatives from local arts and community groups, The B.C. Lapidary Society & all B.C. clubs. Please help to make this a truly special event

Art Gallery Show is approaching fast
